b. Personnel Report (new item)

The personnel reports for August have been completed and

25X9A2

The daily strength reports show that attrition has kept our on duty count within the ceiling. During the month it has increased from

25X9A2  
25X9A2

Reports of the leave balances for Logistics Office personnel and the amounts of leave which must be taken by 2 January 1954 or forfeited have been received from Payroll and distributed to the Divisions and Staffs.

Reassignments for overseas duty of four Logistics Office employees have become effective during the week. This makes a total of six such reassignments since 1 August.

Personnel Officer is negotiating with representatives of Classification and Wage Division and Security Division to have five Unvouchered positions converted to Vouchered funds in accordance with recent request from Comptroller.

Classification and Wage Division representatives are working with C&R Staff to prepare position descriptions and qualification requirements for that Staff.

Six new employees have entered on duty in Logistics Office this week.

c. Basic Intelligence Course (SUP) (continued item) →

25X1A9a
